

Re: Parking Instructions and Guidelines

When to be there: 30 minutes before the service

8:30 a.m. service please be at your assignment by 8:00 a.m.

10:30 a.m. service please be at your assignment by 10:00 a.m.

How are you identified?

2 green reflector traffic vests are kept hanging in the social hall coat closet.

Please wear a vest to identify you and so that people will see you in the parking lot (for safety purposes)

What should you do?

Be in the parking lot to direct people to open parking spaces

Greet them as they enter the lot before you direct them to a space

“Good morning and welcome to Bethel”

“Good morning and good to see you again _____”

Help them park to allow sufficient but not too much space between vehicles

Also make sure they back or pull in to the space as far as possible

How do I know the best parking alignment?

There is a diagram in the window of the narthex that will help you

What to do in inclement weather:

Carry a Bethel umbrella (in the umbrella stand inside the social hall door on the left)

Escort those coming in who do not have an umbrella

Please remain on the parking lot assisting members until 5 minutes after the bell rings.

Thank you for your cooperation.
